* Notes to and forming the schedule of charge rates

1. The quoted figures do not include Goods and Services Tax (GST).
2. The quoted figures are subject to change from time to time during the tenure of a typical administration.
3. The 'Guide to Staff Experience' section is only intended to be a guide to assist the reader. Staff may be engaged under a classification that is appropriate for their experience or particular file undertaking notwithstanding that they may or may not possess some or all of the relevant qualifications.
4. All time is recorded and charged in six (6) minute intervals.
5. Rates effective and correct at 1st January 2008.
